SCHEDULING: The Upcoming Meetings Schedule was discussed and updated.

COUNTY MANAGER'S REPORT: CM Birnie was present for discussion.

1. Mayor/Manager Meeting; February 2016. CM Birnie asked the Board for input related to discussion topics and a location for the meeting. Commissioner Houck felt that a continuation of the discussion related to the group's future direction might be applicable. Chairperson Swenson stated that she won't be in attendance for the meeting.
2. County Policies. CM Birnie informed the Board that the County has many standalone policy actions in multiple formats, some of the information is outdated, and there is conflict between some of the actions. His plan is to integrate the information into one document or location, which will require rescinding and/or modifying many of the documents. Since this will be a huge project, it will be handled in sections. Community Development will be codifying all land-use regulations into an indexed searchable document, and we may follow the same process for the rest of the County policies.
3. Strategic Business Plan Updates. CM Birnie stated that the departmental presentations to the Board will take place in March and April, then again in September and October. Separate work sessions will likely be scheduled to discuss updates on the countywide strategic plan.
4. Facility Safety Planning. CM Birnie informed the Board that Emergency Manager Scott Morrill and Facilities and Grounds Manager John Cattles are working on facility safety plans. The County budgeted for an online platform that will be accessible via smart phones to employees, and hard copies will also be made available. In the future, buildings will be locked down if a panic alarm is activated. Staff training and exercises will take place in 2016.

DEPUTY COUNTY MANAGER'S REPORT AND PROJECT UPDATES: Deputy County Manager Marlene Crosby was present for discussion.

1. Consent Agenda Item #8. DCM Crosby informed the Board that, due to recent email glitches, the scope of services included in the packet was not the final version, so she wanted to confirm prior to approval and signature. She provided the updated document with the correct Exhibit A. **Moved** by Commissioner Houck, seconded by Commissioner Chamberland to approve the snow plowing contract with SG Interests, including the appendix that was presented today. Motion carried unanimously.
2. Resource Advisory Council (RAC). DCM Crosby informed the Board that the Forest Service is accepting applications to serve on our RAC, which includes neighboring counties. She applied, but was told that the application cannot move forward unless the Board submits correspondence stating that she would be acting as a County official with relative authority delegated to her. The Board was pleased that she is willing to serve in this capacity, and she will draft a letter.
3. Dos Rios Waterline. DCM Crosby informed the Board that the Dos Rios waterline experienced a major leak two weeks ago, and the condo association is now addressing a new leak. She will return to the Board during a future meeting with related preliminary engineering information and estimated costs, which she anticipates will be significant. She hopes to coordinate the large project with the condo association.

RESOLUTION; AMENDING CERTAIN CHARGES AND FEES FOR INTEGRATED SOLID WASTE SERVICES EFFECTIVE JANUARY 1, 2016, THIS RESOLUTION SUPERSEDED RESOLUTION 14-32: Moved by Commissioner Chamberland, seconded by Commissioner Houck to approve Resolution #2015-26, a Resolution Amending Certain Charges and Fees for Integrated Solid Waste Services Effective January 1, 2016, this Resolution Superseded Resolution 14-32. Motion carried unanimously.

REQUEST FOR INCREASED 2015 BUDGET ALLOCATION; LAND PRESERVATION COMMISSION; EASEMENT OPPORTUNITIES; \$155,000: GIS Manager Mike Pelletier was present for discussion.

GISM Pelletier explained that the budgeting process is problematic for the Land Preservation Board because, at the end of every year, the Board has to amend the budget since it's almost impossible to determine the expenditures during the budget process. The Board explained that this is the process that the whole organization goes through, and that it cannot be changed. Finance Director Linda Nienhueser maintains a spreadsheet to ensure that costs don't go beyond the budget, and she confirmed that this budgetary change will be included on the resolution to amend the entire County budget. CM Birnie also reminded GISM Pelletier that the County cannot appropriate money for more than one year at a time. **Moved** by Commissioner Houck, seconded by Commissioner Chamberland to approve the \$155,000 increase in the 2015 budget allocation for the Land Preservation Commission. Motion carried unanimously.

EXECUTION OF GUNNISON SAGE GROUSE COMMON INTEREST AGREEMENT AMONG GUNNISON COUNTY, THE STATE OF COLORADO, THE STATE OF UTAH, AND THE GUNNISON COUNTY STOCKGROWERS: **Moved** by Commissioner Chamberland, seconded by Commissioner Houck to approve the execution of the Gunnison Sage Grouse Common Interest Agreement and County Attorney David Baumgarten's signature. Motion carried unanimously.

UNSCHEDULED CITIZENS: There were no Unscheduled Citizens present for discussion.

COMMISSIONER ITEMS: This discussion began earlier than scheduled due to a gap in the meeting.

Commissioner Chamberland:

1. Mayors & Managers Meeting. Commissioner Chamberland stated that he and CM Birnie attended the recent meeting. Most attendees felt that the current meeting format is working well.
2. Club 20 and Pinnacle Insurance. Commissioner Chamberland informed the Board that a for-profit subsidiary may be created to do business in surrounding states.

Commissioner Swenson:

1. Region 10 Business Loan Fund Committee. Chairperson Swenson serves on this committee, and she informed the Board that Region 10 has approximately \$1,000,000 to lend to businesses so that they can expand. The application process is an easy one, though not many applications have been received. Region 10 will loan up to \$250,000 to each business in the region for things like purchasing equipment, expanding facilities, or hiring/retaining employees. Interest rates for the three-to-five year loans have varied around 4-5%, and Region 10 is also willing to partner with banks to provide loans to businesses.
2. Housing Authority. Chairperson Swenson stated that the affordable housing project in Crested Butte is going well and is on budget. The temporary certificate of occupancy is expected to be issued in July. Snow storage may become an issue for the sidewalk area, though negotiations are taking place.

ADJOURN: **Moved** by Commissioner Chamberland, seconded by Commissioner Houck to adjourn the meeting. Motion carried unanimously. The meeting adjourned at 2:01 pm.
