Gunnison Sage-Grouse Road Closures 2026

The following Gunnison area roads will be closed each year beginning March 15th until May 15th (unless in an ACEC with additional restrictions; see map) for protection of the Gunnison Sage-Grouse and to prevent road damage during muddy spring conditions. Property owners will be provided access to their property. State and Federal agencies will be provided access for administrative purposes. All roads except 1-4, 6-11, and 16 may be closed earlier than March 15th to prevent damage; roads will reopen May 15th.
