

THANK YOU

It is our goal to provide a safe and efficient recycling service to our community and visitors.

We sincerely appreciate your patronage and diligence in bringing good clean products to our Recycle Center.

If you have any questions or comments please do not hesitate to contact our office at 970-641-0044.

TOO MUCH TRASH

PLEASE DO NOT LEAVE US YOUR TRASH OR ANYTHING ON OUR DO NOT BRING LIST.

Disposing of these items is costly to our program and presents budget, production and efficiency issues for our Recycle Center.

Receiving good recycle products from our customers allows us to use our budget dollars more efficiently instead of paying to trash non-recyclables items brought to our center.

Gunnison County Recycle Center Guide

February 2, 2021

OTHER RECYCLING OPPORTUNITIES

1. We also recycle the following products from our Landfill:
 - Appliances
 - Refrigerators/Freezers
 - Mattresses

There is a charge to drop these items off at the Landfill. Call 641-5522 .
2. We have deposit boxes for alkaline batteries at the Gunnison Post Office.

This is a free service.
3. Plastic groceries bags can be recycled at City Market or Safeway
